

**MAKING GLOBAL GOALS
LOCAL BUSINESS**
INDIA

Alberto Carillo Pineda

Alberto acts as Leader of the Science Based Targets Initiative and as Senior Global Advisor on Climate & Business for WWF.

In his previous role, Alberto headed the Climate Business Engagement unit for WWF's Global Climate and Energy Initiative coordinating efforts across WWF's network on a number of topics including science-based target setting; responsible policy engagement and transformational renewable electricity procurement.

Before joining WWF, he occupied management and consulting positions in leading global carbon asset management firms including South Pole Carbon Asset Management Ltd. and Ecosecurities Ltd.

Alberto holds an M.Sc. In Environmental Change and Management from Oxford University and a B.Sc. in Chemical Engineering from the National Autonomous University of Mexico (UNAM).
