

**MAKING GLOBAL GOALS  
LOCAL BUSINESS  
INDIA**

## **Charlotte Frerot**

Charlotte Frerot is Secretary general of Global Compact France, the UN Global Compact second largest local network with over 1200 participants.

She graduated in Business management and sustainable development from University of Sherbrooke and Tours-Poitiers Business School before joining the network.

In 2014-2015, she was in charge of communication for the first Business & Climate Summit edition organized in Paris. She was very active in the preparation of COP 21 and the mobilization of private sector for fighting climate change.
