Juliane Frömmter

Juliane Frömmter is a consultant and entrepreneur with a focus on innovation, impact and change. She provides support and advice to organizations worldwide facing disruptions from digitalization. Before joining SEgroup in 2016 Juliane has consulted Service Providers and System Integrators across Europe adopting cloud based business models. She first faced the disrupting power of digitalization in the early 2000s as an active part in the music and media industry.

Juliane holds an Executive MBA from HULT International Business School since 2015. Her post-graduate studies awakened her entrepreneurial spirit, leading her to explore her passion for change as a Co-Founder of DHI LABS; an Indian based Impact Incubator supporting Indian Social and Clean-tech Entrepreneurs with mentorship and investment access.
