Putting Human Rights into
Practice**

Muhammad Al-Fouly is the UN Global Compact network Egypt Executive Director/Focal Point. Muhammad acts as GCNE National Executive person and as a consultant providing necessary consultancy for the UNGCNE participants as well as policy makers and international development entities. Along with his current position, Muhammad is one of the Egyptian National Experts in Social Responsibility ISO 26000.

Prior to his recent position, Muhammad worked as a managing director for SoftCode Consultancy and was a consultant for Global Sustainable consultants for 10 years. Muhammad's greatest strengths are his creativity, drive and leadership. He thrives on challenges, particularly those that expand the Community and business development reach. His projects involved a strategic partnership between international agencies, the government and the private sector, building on the potential benefits for the private sector business that gets into the lead and demonstrate a real development impact on their related communities.

Muhammad holds a bachelor of business administration (International Relations) from Gordon University, USA - as well as a licence in English literature from Cairo University in Egypt. A part from the academic university degrees, Muhammad holds other international diplomas in areas of Social development, Value innovations, Risk management, critical thinking, negotiations and conflict management strategy creation. .
